IOM Abuja Procurement Team

IOM is encouraging companies to use recycled materials or materials coming from sustainable resources or produced using a technology that has lower ecological footprints.

**NORWEGIAN CHURCH AID (NCA)
REQUEST FOR PROPOSALS (RFP) FOR REHABILITATION OF
LATRINES IN MONGUNO LGA OF BORNO STATE
DEADLINE: 16TH SEPTEMBER, 2021**

Norwegian Church Aid ('NCA') is a member of the ACT Alliance and we provide emergency assistance in disasters, work for long-term development in local communities and address the root causes of poverty, we advocate for just decisions by public authorities, business and religious leaders.

Norwegian Church Aid is an ecumenical diaconal organisation for global justice. We work to help the poorest and those in need, regardless of their creed, race, political or religious affiliation.

NCA has a presence in Nigeria to respond to the Humanitarian crisis in Northeast Nigeria. NCA has its core competencies in Gender Based Violence and Water Sanitation and Hygiene. NCA has its strengths in works and invest in local partners and ensures their capacities are built from the onset of response, to enable them to have the capacity to respond in a long-term intervention including recovery and development.

SCOPE OF SERVICE

To ensure a successful project implementation, the contractor shall perform the following tasks

The contractor shall upon approval by authorize signatures of contract shall procure all construction materials as subject to the BOQ with required quantity and specifications.

Procured construction materials shall be approved by WASH technical staff. This items are subject to be rejected if the quality of materials is beyond standard, as well as materials subject to approval if items meet technical specifications which a quality check approval form will be sign by the technical staff. All materials shall be approved by NCA WASH Technical representative only.

Deploy qualified and well experienced Engineer/artisans to carry out the required tasks.

The contractor shall strictly follow the technical specifications and BoQs attached to the contract documents.

No variations will be accepted. In case of any foreseen variations, the supervisor will report to WASH Manager in writing with justifications, its implication in the cost and time prior to executing the additional works.

Identifications of sources of materials (materials bought or supplied from an illegal source will be rejected).

Based on the approved work plan, the contractor shall execute multiple work activities simultaneously to save time.

The construction site shall be free of debris and hazardous materials/objects. The contractor shall apply all safety measures for its workers and work supervisors.

The contractor shall allow unlimited access to construction sites for the NCA staff dealing with this project and M & E staff as required.

NCA WASH officer shall monitor the construction activities on a regular basis to ensure that quality standards and timelines are maintained

NCA has its strengths in works and invest in local partners and ensures their capacities are built from the onset of response, to enable them to have the capacity to respond in a long-term intervention including recovery and development.

SCOPE OF SERVICE

All equipment on the BOQ will be used to optimise (3 locations) the discharge with a flow of 5 to 10 cubic metres with a head of 120 metres. The Grunforce pump of this power operates on AC, hence the purchase of an inverter to convert the DC into AC. The number and quality of the panels and cables have been dimensioned in such a way that during the operating hours, (sun peaks hours) there is enough energy to run the pumps. For each pump it will be added two standpipe with 6 taps heads each, in addition to those existing. Flow test is highly recommended for proper sizing.

**CREATIVE ASSOCIATES INTERNATIONAL INC.
REQUEST FOR PROPOSAL (RFP) DATA COLLECTION AND
REPORTING
DEADLINE: 17TH SEPTEMBER, 2021**

Enclosed is a Request for Proposals (RFP). Creative invites qualified consultant(s), firms, and organizations to submit a proposal for the Northeast Connection: Building Community Resilience to Violent Extremism and Conflict in Northeast Nigeria (hereinafter Northeast Connection) project funded under the referenced USAID contract.

The requirements for this activity are described in the “Statement of Work” in Attachment I. Creative encourages Offerors to indicate its interest in this procurement by submitting a proposal according to the instructions in Attachment II “Instructions to Offerors”. Proposals will be evaluated based on the “Evaluation Criteria” in Attachment III. Creative will make an award to the responsible Offeror(s) submitting an offer which provides best value to the project: technical merit and price will be both considered.

To be considered, Offerors should submit a complete proposal no later than the closing date and time indicated above. Offerors should ensure that the proposals are well-written in English, easy to read, follow the instructions provided and contain only requested information.

Any questions should be submitted in writing and emailed to procurement@connection-nigeria.com not later than 8 September, 2021. No questions will be entertained if they are received by means other than the specified email address, and any communications to alternate e-mail addresses will result in the disqualification of the bidder. The solicitation number (listed above) should be stated in the subject line. Answers will be compiled and distributed by 13 September, 2021.

Proposals must be comprised of one electronic copy of the Technical Proposal and one electronic copy of the Cost/Business proposal, sent in separate e-mails, and labeled with the above-stated subject, subproject number and title. Submissions shall be delivered to:
